MINUTES OF NOVEMBER MEETING

The November 6th meeting was called to order by President Edington at the Cleveland Micromineral Symposium following the presentation by Patrick Haynes on the mineralogy of the Jomac Mine, San Juan Co., Utah.

Dr. Carlson reported on the 3rd Midwest Mineral Symposium at Columbus Ohio scheduled for April 1st, 2000. He is completing the roster of speakers and planning a field trip to Duff's Quarry on April 2, 2000.

A slate of officers for the year 2000 was presented, accepted and elected unanimously: President- Dwaine Edington; Vice President for programs-Dr Ernest Carlson; Secretary/Treasurer-Kim Greeman.

President Edington reported on the field trip to the Derbyshire Quarry in Indiana. Although the attendance was small, some nice specimens were found including an excellent trilobite.

Thanks to our hosts- The Cleveland Micromineral Society- for sharing their expertise, specimens and hospitality with our chapter members.
